## **Lost and Found**

The school is not responsible for students' personal articles. We recommend students take bags with valuables into class with them. Forgotten or lost items are kept in the women's dressing room. Lost jewelry is kept in the office. A week after the close of the school year, all remaining lost and found items are donated to charity.

## **Making up a missed class**

Missed classes may be made up in an assigned class. Please ask your child's teacher for the appropriate make-up class. Make-up slips are on the desk across from the office window. Please give a completed slip to the teacher of the make-up class.
